South Penn Road Runners Club Summer Series Race #1

The South Penn Road Runners Club began their Summer Series with a 4.9 mile handicap run at Long Arm Dam on May 6, 2008. The handicap was based on the runners' times over 5 miles during the past year. The handicap winner was Steve Miller with an adjusted time of 50 minutes and 19 seconds. The fastest runner of the evening was Pat Hickey at 31 minutes and 54 seconds. Seventeen runners completed the beautiful course rolling along the country roads encircling Long Arm Dam just outside of Hanover.

The next event is at South Western High School track on May 20 at 7 PM, with sign in before that. This is a 4 mile relay, with each of two runners running two miles. Teams will be assigned at the race and are based on matching runners of varied abilities. That is, slower athletes are paired with speedier runners. This is in keeping with the Summer Series motto: Anyone can win. Runners of all abilities and pacing are welcome.

For more information: the club web site is www.spr.fws1.com. Club President Jon : sprcjn@aol.com or call Jim at Roller Printing 632-1433.
